Student Steps – STUDENT REGISTRATION

Do not distribute Master Codes to your students. When you add a student edition Master Code to ConnectED as a teacher, it will generate a **12 character Redemption Code for students**. You must communicate the appropriate **Redemption Code** to your students. The system will permit you to print a ticket with the necessary information and directions for each student

- Student should go to <http://connected.mcgraw-hill.com>
- Using their "N" number for both username and password, click "REJOIN" and enter the **Redemption Code distributed by teacher.**

How to Access Math Triumphs Materials Online

You can access the triumphs materials through your ConnedtED portal for Math Connects. Once you enter the respective grade level for the teacher edition, open the chapter playlist. Under resources you will see math Triumphs materials.
