Personal Home Reading Log

Dear Parents:

One of the goals of our language program is to ensure that students **read regularly** and **consistently**. Personal Home Reading Log reading log is used to keep track of what, how often, and how long your child reads at home. Please help monitor your child's home reading activities by signing the Home Reading Log. Students are encouraged to select reading material from the genre of their choice and read at least 20 minutes a day. The Reading Log sheet is to be returned to class at the end of each month.

NAME: _____ Reading period **beginning**: _____ and **ending**: _____

Date	What I read	Number of pages	Number of minutes I spent reading	Student Signature	Parent Signature
